

SUBHASREE SRIDHAR

DATA SCIENTIST | MACHINE LEARNING ENTHUSIAST

📞 9500082375 | ✉ subhasreesridhar3@gmail.com | 📍 Chennai, Tamil Nadu

PROFESSIONAL SUMMARY

Aspiring Data Science and AI professional with strong skills in Python, Machine Learning, Data Analysis, and Data Visualization. Experienced in building predictive models, data-driven solutions, and AI-powered applications through academic projects and internships. Passionate about solving real-world problems using data and continuously learning emerging technologies.

TECHNICAL SKILLS

Programming Languages	: Python, C++, SQL, HTML
Data Science & ML	: Machine Learning, Data Analysis, Data Visualization, Predictive Analytics, Model Evaluation
Libraries & Tools	: Pandas, NumPy, Matplotlib, Scikit-learn, OpenCV
Databases	: MySQL
Platforms & IDEs	: Jupyter Notebook, Google Colab, VS Code
Other Skills	: Git, Power BI, Flask, Linux Basics, Network Security Basics

PROJECTS

AI Resume Screening System | Python, NLP, Scikit-learn, Flask

- Built an AI-powered resume screening system that analyzes resumes and matches them with job descriptions using NLP.
- Implemented keyword extraction, skill matching, and ATS score calculation to automate candidate shortlisting.

Student Performance Prediction System | Python, Pandas, Scikit-learn, Matplotlib

- Developed a machine learning model to predict student academic performance based on various factors.
- Performed data preprocessing, model training, and evaluation to achieve high prediction accuracy.

Face Detection Attendance System | Python, OpenCV, NumPy

- Created a real-time face recognition attendance system using OpenCV for automated attendance tracking.
- Implemented facial detection and recognition to improve accuracy and reduce manual effort.

Sales & Data Analytics Dashboard | Power BI, SQL, Excel

- Designed interactive dashboards to analyze sales trends, customer behavior, and business performance.
- Used SQL for data extraction and Power BI for visualization to deliver actionable business insights.

INTERNSHIPS

Data Science Intern | NSP Nexus | Jan 2026 – Feb 2026

- Worked on data preprocessing, exploratory data analysis, and visualization using Python.
- Assisted in developing machine learning models and preparing analytical reports.

Cyber Security Intern | SkillForge E-Learning Solutions Pvt Ltd | Jun 2025 – Jul 2025

- Learned cyber security fundamentals and ethical hacking concepts using Kali Linux.
- Performed basic vulnerability scanning and network security analysis tasks.

CERTIFICATIONS

- | | |
|--|---|
| • Data Science Internship Certification – NSP Nexus | • Data Analysis & Visualization Projects – CodeChef |
| • Cyber Security Internship Certification – SkillForge | • HTML Certification – Simplilearn |
| • C++ Problem Solving – CodeChef | • Cyber Security Certification – Simplilearn |

EDUCATION

B.Tech in Computer Science and Engineering
BS Abdur Rahman Crescent Institute of Science and Technology
Current GPA: 8.92 / 10.0

Expected Graduation: 2027
